Windham Receives \$6 Million Contract

United States Congressman Bill Dickinson announced Tuesday that Windham Power Lifts of Elba had been awarded a \$6 million contract with the Air Force to construct 87 rough-terrain fork lifts, with an option for 19 additional machines.

Windham, an Elba industry that has

been in operation for over 20 years, was awarded the contract in association with the dealership, Quality Plus, of Mobile. The contract is estimated to take nine months to complete with the possibility of additional follow-up contracts.

According to Mr. Byron Stinson, president of the Elba firm, the contract

will mean 30-35 additional jobs for the Elba area.

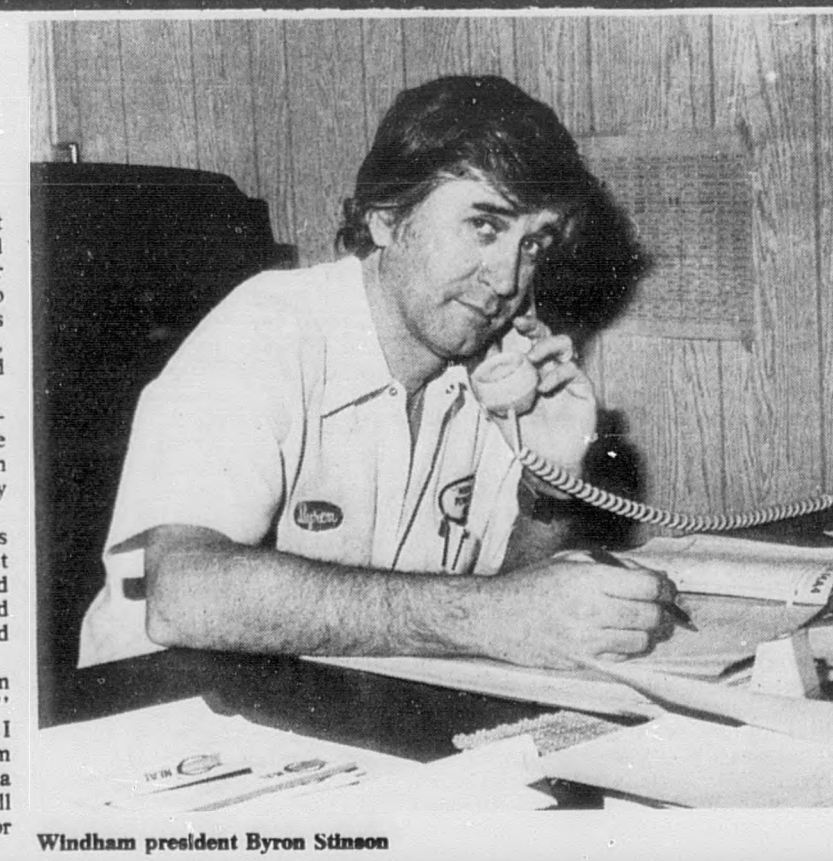

"We are looking at adding at least 30-35 employees to our present work force," stated Stinson. "Our work force is now only one-third of what it was last year, so we will recall many employees now laid off. We've been working 12 months to get the contract which was

open to all manufacturers. We feel that we can save the government money and at the same time build a superior machine. The contract will be a boost to the economy of Elba and create ripples that will affect 2000-3000 people, including the suppliers and manufacturers we buy from."

According to Stinson, the rough-terrain machine has been built at the Elba plant for three years and has been redesigned and restructured by Windham engineers.

Windham Power Lifts, Inc. serves the south, southeast and southwest portions of the United States, and exports to the Far East, Central and South America. The company is served by 38 dealerships.

"I was happy to work with Windham and the Air Force on this contract," stated Congressman Dickinson, "and I am particularly pleased that Windham is getting the contract now - when Elba needs jobs and an economic lift. We will be working for more of the same for Elba."

Windham president Byron Stinson

Director Looks For Return Of Commodity Program

The Coffee County Commission met in regular session on Monday, January 10, at the courthouse in Elba, and heard Pensions and Security Director Ron Smith predict that "whether we want it or not, commodity distribution is coming back."

Smith came to the bi-monthly meeting to inform the commission that the county would receive 680 cases of cheese and 113 cases of butter in February from the U.S. Department of Agriculture, and asked for assistance in storing and distributing the milk goods. Smith reported the cheese would not be a problem to store, but stated the butter would have to be kept in cold storage to meet Health Department standards.

"It is very likely this kind of food distribution will become a frequent happening," said Smith, "and we need to look beyond next month's problem. I think the commodity distribution program could be right around the corner and I think the county should start considering permanent storage areas for the merchandise. Whether we want it or not, commodity distribution is coming, and the county must decide whether or not it wants to participate."

The commission was in agreement that the cheese and butter would be of good use to county families, but wanted to make sure all the food shipped to the county was indeed passed out.

The commodity program stirred up memories of old problems for some of the commission members and it was decided the program needed to be studied long and hard before making any commitment.

A contract was awarded for the paving of the Donaldson Road, meaning the highly publicized dirt road will soon be paved. The low bidder on the 4.473-mile project was Wiregrass Construction with a bid of \$59,905.92. Other bids were \$61,800.32 from Couch Construction and \$69,646.40 from S & C Materials and Paving. The paving will begin as soon as possible, weather permitting.

Bids on a boiler to be installed at the Health Center in Enterprise were also opened Monday, with the commission accepting the low bid of \$39,750 from the Southeast Alabama Gas District. Other bids came from ESMAC - \$6242 (installed) and Henderson, Black and Green - \$5500 (not installed).

The commission voted unanimously to go on record as opposing the petition to close the railroad stations in Elba and New Brockton. A Public Service Commission hearing will be held in Elba on Wednesday, January 26, to discuss the petition, and the commission will voice opposition at the meeting.

Monday's commission meeting was the final meeting for retiring Probate Judge James L. Sawyer, and Judge Sawyer thanked everyone for making his tenure in office a memorable one.

"Since I've been probate judge, I've

attended over 300 meetings of this commission," said Sawyer, "and it has been a privilege for me to serve as commission chairman. The county has made a lot of progress while I've been in office, and we have a good county with good people. I leave my blessing to Judge Marion Brunson and offer my assistance I might be able to provide."

Commissioner Charlie Mack Martin, acting as spokesman for the commission, presented Judge Sawyer with a gold watch for his dedicated service, and stated, "You've given 20 years of service to Coffee County and we would like to express our sincere thanks. This county is a better place because of your years of service."

The county may not be in the red, but according to Commission Clerk Brunson Winston it may not have enough money to pay all the bills by the first part of the month. The clerk stated the money on hand will just barely be enough to cover the payroll, and she stated until the next gasoline fund check arrived the bills would be held.

In other action at Monday's meeting, the commission:

***heard representatives of the Mental Health Board thank Judge Sawyer for his years of service on the board;

***authorized the commissioners and probate judge to attend a County Commission Conference in Auburn on February 16-18;

***authorized new probate judge Marion Brunson to attend a Probate Judge's Conference on February 11-12

in Tuscaloosa;

***passed a resolution concerning the disbursement of state funds for improvement of county roads and bridges;

***authorized Engineer Frank Charlton to attend an engineer's meeting in Montgomery on January 27-28;

***authorized sending two highway department employees to a conference to be held for the purpose of instructing workers on how to best use herbicides on the shoulders of the roadway;

***told the engineer to do grading work at the new boat ramp site at Kinston;

***appointed a committee consisting of Commissioners Rex Boutwell and Eugene Bradley, and Engineer Frank Charlton to decide on making repairs on used county equipment;

***passed a resolution abandoning the old Hudson Mill Road;

***voted to send out invitations to bid on four pieces of equipment needed to continue paving projects;

***stated the county landfill now met state regulations;

***passed a resolution stating \$77,000 in federal funds would be used to complete the Turner's Crossroads project;

***was told of a leak in the roof at the Food Stamp Office in New Brockton and the Health Department in Enterprise; and

***paid bills, including a \$4996.64 bill from the legal firm of Cassidy, Fuller and Marsh for fees incurred during the case of Cotterell vs. Sheriff Brice Paul.

Commission To Hold Railroad Hearing In Elba On Jan. 26

The Alabama Public Service Commission has announced that it will hold a hearing on Wednesday, January 26, at 10 a.m. in the main courtroom of the Coffee County Courthouse in Elba, to re-open and re-consider the order issued March 8, 1982, affecting agency

service at the Seaboard Coast Line Railroad's dualized agency stations at Elba and New Brockton.

The Seaboard Coast Line Railroad filed a petition on December 2, 1982, requesting the Public Service Commission re-open the matter for the purpose of receiving newly developed

evidence which was unavailable at the time of the hearing.

The commission granted the petition's request and stated in fairness to all participants in the earlier hearing the matter should be scheduled for further hearing.

Tillis Arrested For Robbery

Willie James Tillis Jr., age 29, of Brantley, was arrested on January 1 and charged with the December 31 robbery of a store in Pike County, in which he allegedly took \$2000 in cash and cash after assaulting a store employee.

Tillis was placed in the Pike County jail on \$10,000 bond following his arrest.

According to officials of the Pike County Sheriff's Department, Tillis entered the Donnie Smith Store, located on Pike County Road 6 near the Crenshaw County line, at approximately

6:30 p.m. on December 31, and assaulted Charles E. Hataway, age 63, with a pool cue before robbing the store.

Officials reportedly recovered \$1203 in cash from Tillis' automobile, and recovered Hataway's wallet, which contained \$573 in checks.

Electric Bill To Increase 3.3%

The Elba Water and Electric Board met Tuesday night and the main order of business was the previously announced problem of adjusting the electric rates to compensate for the recent wholesale increase from Alabama Electric Co-op.

Using estimates of the wholesaler, Mayor Bob English projected the rate increase would cost Elba about \$201,593 a year.

The local utility approved an increase that will take effect immediately raising the residential rate .004 per KWH. This means that the cost for 1000 Kilowatt hours will increase by \$4.00; but a decrease in the fuel

adjustment from the wholesaler will also be passed to the customer and this will save \$1.75, cutting the price increase on the one thousand KWH to \$2.25.

Elba received a guarantee from Alabama Electric that the fuel adjustment factor wouldn't be increased for at least six months. Chairman Charles Hayes noted that following the last general rate increase Elba began receiving increases in the fuel adjustment after the six months passed.

An increase in the KVA charge (normally referred to as demand charge) will cost industry and large commercial customers \$1.00 per KVA.

Both these will net the utility just short of \$200,000 a year. Applying percentages to the increase would indicate a 3.3 percent increase in the average monthly bill, but utility officials cautioned against relying on this percentage because it will surely lead to someone being shocked when their bill varies from this.

Airplane Crashes Into Wooded Area Near Elba

A single-engine airplane nose-dived into a wooded area near Elba early Saturday morning after aborting a foggy landing at the Elba airport. The pilot walked away from the scene and was hospitalized with a broken nose and possibly jaw and other facial bones also broken. Blood on the cowl immediately below the pilot's seat indicated the injuries bled considerably immediately following the crash.

The pilot, 27-year-old Lloyd Winfield Smith, of Prattville, reportedly told police officers he was attempting to land in the heavy fog at 5:30 a.m. to meet with friends when he realized he was missing the runway. He reported pulling up from the landing attempt to circle and try again. He was landing from the north to the south, and as he turned to his left in a climb, the aircraft stalled and he went down. Site of the crash was about one-half to three-fourths mile off the Kinston Highway, directly across from the Brookdale Subdivision.

Police officers said that Dean Kyle

was at the airport awaiting Smith and saw him attempt to circle, and when he crashed Kyle called police. Auxiliary Deputy Bobby Boutwell heard the call and was driving to Elba to assist when he found the pilot approaching the highway. He drove him to the hospital emergency room and returned to assist Elba police in the search for the plane. Officer Steve Arbogast was the first policeman to see the crashed plane.

The accident is under investigation by the Federal Aviation Administration. [See picture on Page 2.]

Mularz Named Editor

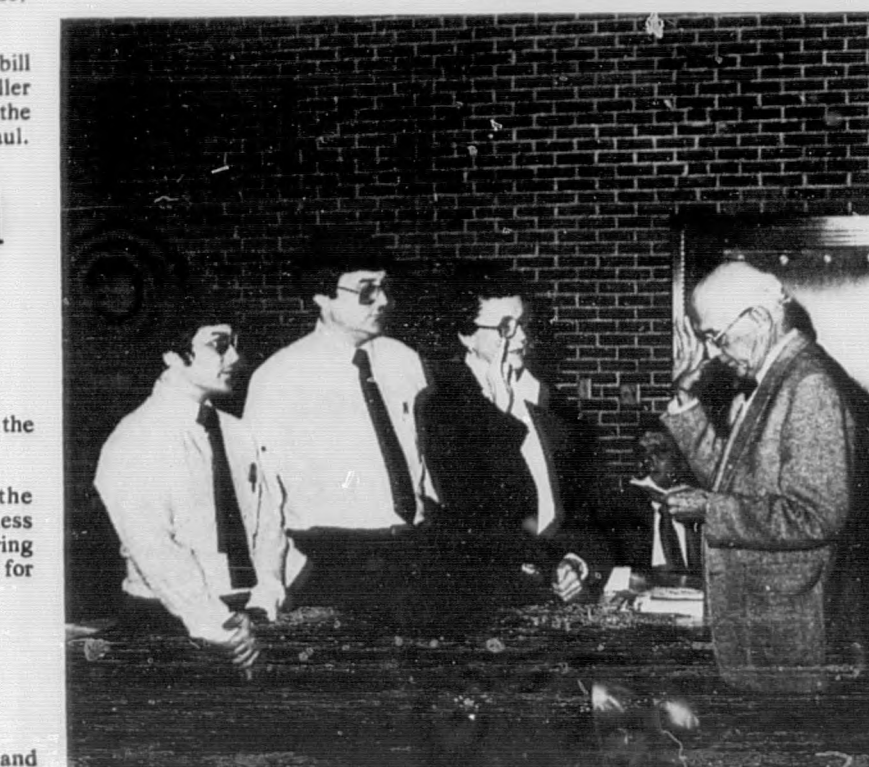

Mr. and Mrs. Ferrin Cox, owners and publishers of THE ELBA CLIPPER and THE GRACEVILLE NEWS, are pleased to announce the promotion of Mr. Ricky Mularz to the position of Editor of THE ELBA CLIPPER.

Mularz worked part-time with the newspaper after graduation from Elba High School as a sports correspondent and continued to work with the paper throughout his college years. He began work on a full-time basis as Sports Editor in 1976 after graduation, and in recent years has also done extensive work in general assignment reporting and has gained experience in all phases of journalism. Although he will assume his expanded duties as Editor immediately, Mularz will continue to take an active part in sports reporting.

Both the publishers and the new editor have pledged that the complete sports coverage offered by THE ELBA CLIPPER will continue the established standard of constant improvement.

Mularz is married to the former Kathy Whitmas, of Elba, and the couple are expecting their first child in March.

In making the announcement, Mr. Cox stated, "This new title is making official something that has been gradually taking place as we have relied more and more on Mr. Mularz's interest, training and natural ability. It should lead to continued improvements in the coverage of local news and will release me to fulfill some of the commitments and obligations that have in the past gone lacking."

MRS. RAY TRAMMELL SR. was sworn in Monday night to fill the unexpired term of her late husband on the Elba City Council. She is shown here with her two sons - Greg, left, and Ray Jr., right, looking on. Mrs. Trammell took her seat on the council immediately and participated in deliberations during the balance of the council meeting.

through March 3. Pool hours are 1-4 p.m., Monday through Thursday and 6-8 p.m., Tuesday and Thursday. For more information call the Short Course Office at 347-0650.

The course meets from Jan 10

Mrs. Stebbins

Miss Pam Allen Weds Mr. Seth Stebbins

Miss Pamela Allen became the bride of Mr. Seth Stebbins on Saturday, December 11, at six o'clock in the evening at Woodland Grove Baptist Church. Rev. Ken English officiated at the double-ring, candlelight ceremony.

The bride is the daughter of Mr. and Mrs. Cliff Allen of Elba. Parents of the groom are Mr. and Mrs. Jack Stebbins of Jacksonville, Florida. A program of nuptial music was provided by Sandra and Alan Furr of Enterprise. Together they sang "The Wedding Song," "I Pledge My Love," "A Wedding Prayer," and "The Wedding March." The traditional "Bridal Chorus" by Wagner was played by the wedding party.

The bride's bouquet was carried by a bridesmaid, and the groom's ring bearer was a young man. The wedding party consisted of the bride, groom, bridesmaid, ring bearer, and flower girl. The ceremony was held at Woodland Grove Baptist Church, and the reception was held at the home of the bride.

Decorations in the church included an eighteen-branched double-ring candelabra, a white and pink ribbon, and a white and pink poinsettia. The bride's dress was a white and pink gown, and the groom's was a white and pink suit. The wedding party consisted of the bride, groom, bridesmaid, ring bearer, and flower girl.

The radiant bride, escorted by her father, wore a fitted white gown of organza and tulle, accented with a wide white sash. The groom wore a white and pink suit. The wedding party consisted of the bride, groom, bridesmaid, ring bearer, and flower girl.

The fully flared skirt fell from an empire waist and extended into an elegantly scalloped cathedral length train. A tapered crystal pleated center of organza accented the front of the skirt and a wide Chantilly lace panel, bordered with a wide band of Raschel lace, fanned out over the magnificent train.

To complement her lovely gown, the bride chose a Juliet headpiece, covered with matching lace, to hold her fingertip length veil of fine French illusion. The veil, with delicately scalloped edging, was enhanced by motifs of lace rosettes floating throughout.

The bride carried a bouquet of cascading white roses with pink and white stephanotis and cascading lace ribbons. Mrs. David Smith, sister of the bride, of Columbus, Georgia, served as matron of honor. Miss Karen Arbogast of Elba was maid of honor. Bridesmaids were Miss Mitzi Allen, niece of the bride, of Elba.

Miss Hayes - Mr. Calhoun Share Vows

Miss Katrina Sue Hayes and Kenneth Mark Calhoun exchanged wedding vows on Saturday, January 8, at four o'clock in the afternoon in the First Baptist Church of Elba. Dr. Roy Patton officiated at the double-ring, candlelight ceremony.

Katrina is the daughter of Mr. and Mrs. Charles Phillip Hayes III. Kenneth is the son of Mr. and Mrs. Fred Edmond Calhoun.

The first glow of beauty was set in a background of more than a hundred flickering white tapers in shining brass candelabra of differing heights and shapes. The altar area was defined by a draped garland of clinging green ivy, spider mums and long flowing streamers gave a special greeting to the hundreds who attended the wedding.

Registering the guests in the vestibule were Mrs. Jimmy Cook and Mrs. Tommy Cooper. The antique marble top tables held white Phalaenopsis orchids. The impressive ceremony was set in a background of more than a hundred flickering white tapers in shining brass candelabra of differing heights and shapes. The altar area was defined by a draped garland of clinging green ivy, spider mums and long flowing streamers gave a special greeting to the hundreds who attended the wedding.

Mrs. Calhoun

heirloom prayer book.

Miss Ceina Hayes, sister of the bride, was maid of honor. Bridesmaids were Miss Nina Calhoun, sister of the groom; Miss Sherri Donaldson, cousin of the groom; Miss Betsy Brunson and Miss Tracy Daniels, all of Elba; Miss Cindy Jacobs, Montgomery; and Mrs. Suzi Brunson Madox of Albany, Georgia. The attendants were groomed alike in cherry lace taffeta gowns, designed with sweetheart necklines, thin strapped natural-waisted bodices which complemented the full length softly gathered skirts. They were matching chiffon flares and carried cascades of cattleya orchids, baby's breath and ivy.

Little Amanda Calhoun, niece of the groom, was flower girl. She wore a long-length soft white Swiss batiste gown, featuring an empire styled waistline with a high-neck-band collar. She carried a white wicker basket rimmed with pink silk rosettes and white pick ribbon streamers.

The groom's father served as best man. Groomsman were Phil Hayes, brother of the bride; Terry Calhoun, brother of the groom; Buddy Clark, cousin of the bride, all of Elba; Ricky Mikel of Opp, David Stewart, Dorhan, Keith Boswell, Montgomery; Mike Donizo, Troy; and Dennis Jacobs of Memphis, Tennessee.

Master Brannin Boswell, son of Mr. and Mrs. Keith Boswell of Montgomery, was ring bearer. He wore white and carried a white cross-stitched pillow adorned with pink ribbon and flowers. The pillow was made by Mrs. L.A. Boyd IV of New Brockton.

For her daughter's wedding, Mrs. Hayes chose an ice blue knife-pleated chiffon dress. This creation was fashioned with a full-length ruffle flowing to the hemline, and other ruffles added elegance and style. Mrs. Calhoun was tastefully dressed in a mauve Qiana crepe short-sleeved dress with a self-belt and matching pearl buttons.

Mrs. Eiland, the groom's grandmother, chose an aqua blue dress with a matching blue chiffon capelet. Mrs. Colquett, grandmother of the bride, selected a full-length seafair green Qiana crepe with matching jacket.

Following the ceremony the bride's parents entertained with a reception in the social hall of the church. Hurricane lamps were placed and were connected to the reception.

Elba Study

Holds Club

Jan Meeting

The Elba Study Club met on January 5, 1983, in the home of Mrs. John Kimmey. Mrs. T.D. Kendrick served as hostess. Refreshments were served as members arrived.

Due to the absence of the president, Mrs. P.H. Sellers, the meeting was called to order by the vice president, Mrs. Durrell Hudson. Mrs. Hudson presented Mrs. Melvin Senn, whose topic was "Nicaragua."

Senn gave a most interesting and refreshing account of this troubled country whose welfare is so closely tied to our own.

Following the program, Mrs. Bryan presided over a short business session. The roll was called and minutes of the December meeting were read by the secretary. The minutes were approved as read.

Mrs. Melvin Senn, treasurer, gave her report. When all bills are paid the treasury will have a balance of \$21.00.

Mrs. Durrell Hudson, club committee, reported a poinsettia was given to the Nursing Home for the Christmas Holidays. Mrs. Bryan, said its cheerful beauty was enjoyed by the patients.

Miss Jeannette Garrett announced the next presentation of the Coffee County Arts Alliance will be an opera to be presented on January 31, 1983, in the Elba High School Auditorium. She urged all members to help publicize this and to attend. The Music Lover's Club will have tickets available.

Members were requested to direct, through the mailing address for the president. She needs these for her annual federation report.

There being no further business the meeting was closed with the club collection. Those present not already mentioned were: Mrs. Kirk Alford, Mrs. M.O. Bruckner, Mrs. O. Dowling, Mrs. W.E. Kelley, Mrs. J.D. Lowery, Mrs. F.H. Murphy, Mrs. V.E. O'Riley, Mrs. W.M. Ringsdorf, and Mrs. Duke Tatum, Sr.

A luncheon was given by Mrs. Sam Sawyer and Mrs. Martin Dye. A brunch was hosted by Mrs. Pete Dorsey with Mrs. Paul Morrow, Mrs. Doug Martin and Mrs. Kimmie Dorsey assisting.

Mrs. Charles Jacobs and Mrs. Byron Bruce hosted a pantry/recipe shower.

A Christmas ornament luncheon was given by Mrs. Oscar Vaughan Jr., Mrs. Waylon Sharpless, Mrs. Walter Cox, Mrs. Arlan Brown, Mrs. J. Doug Kendrick and Mrs. Bob English.

A rice bag party was given by Mrs. A.C. Brunson Jr. assisted by Mrs. Phillip Scarborough and Mrs. Donald Lee.

Mrs. Tim Miller, Mrs. M.J. Lee and Mrs. Marion Brunson hosted a bridesmaid's brunch.

The groom's luncheon was given by Mrs. Fred Young with Mrs. Henry D. Clark, Mrs. Paul King, Mrs. Ronnie Vaughan, Mrs. Fred Smith Jr., Mrs. Jackson Stokes, Mrs. Jack Vaughan, Mrs. Raymond Tatom, Mrs. Mickey Murdock, Mrs. Bonnie Rowe, Mrs. Lamar Rainer Jr., Mrs. Herschel Williams, Mrs. Jack Corley, Mrs. John Harper, Mrs. Buck Donaldson, Lamar Daniels, Mrs. Kimmie Han, Mrs. Ed Tucker, Mrs. Ted Vaughan, Mrs. Jerry Hudson, Mrs. Harold Brown, Mrs. Charles Brown and Mrs. Lee Boyd IV.

The groom's luncheon was given by Mrs. Fred Young with Mrs. Henry D. Driving Awareness Week Proclaimed

BY: TERRI AMLONG

Editor's Note: The following story was taken from "Awareness," a pamphlet which is published monthly by Division of Mental Illness and Substance Abuse Community Program.

President Reagan proclaimed the week of December 12-18, 1982 as National Drunk and Drugged Driving Awareness Week. The Awareness Week was called for in a joint Congressional Resolution and formally established by the presidential proclamation to join hundreds of agencies and citizens' groups in the national effort to get drunk and drugged drivers off the

road and where appropriate, help for their problem.

In an effort to control the problem of drunk and drugged driving, effective education and treatment programs have been developed for people who are arrested for driving under the influence. Educating young people in an effort to prevent future driving under the influence problems is an important part of Alabama's approach. Currently, local Mental Health Centers and Regional Alcoholism Councils provide DUI schools to provide information and, when appropriate, referral for treatment, to individuals arrested for Driving Under the Influence. Further, these

same programs offer information to students in area schools across the state through a grant from the Office of Highway and Traffic Safety to the Department of Mental Health in an effort to prevent future substance abuse and driving.

For further information on the DUI Counterattack Program in your area and the school consultation programs available, please contact your local Mental Health Center, Regional Alcoholism Council, Mr. Bob Simpson, DUI Program Coordinator, Department of Court Management, at 824-7990 or Callie Longshore, Department of Mental Health, at 271-4520.

ZION CHAPEL REBEL BRIEFS..

ZION CHAPEL VS. NEW BROCKTON
BY: KIM SMITH

The Zion Chapel Rebels Varsity Team took on the New Brockton Gamecocks at New Brockton, December 17, 1982. New Brockton had the homecourt advantage and it paid off.

By the end of the first half New Brockton had the lead by one point. The score was 28-27. By the end of the third quarter Zion Chapel took over the lead by 2 points with a score of 44-42. At the end of the ballgame, New Brockton defeated Zion Chapel by 4 points with a final score of 59-55.

The high man for Zion Chapel was Terry Haynes with 19 points.

ZION CHAPEL VERSUS LONG
BY: SHARON MOBLEY

Zion Chapel Rebels Varsity Basketball Team defeated the Long High Rebels Tuesday night in a 75-53 victory.

Dwan led Zion Chapel in first quarter action with four points but Long's Dunlap took high score with six points with Long leading 17-6 in the first quarter.

Terry Haynes came in the ballgame at the start of second quarter and led Zion Chapel with eight points to tie the score 29-29 at halftime.

The score switched back and forth during third quarter. Zion Chapel came back to take the lead with Alvin Moultry and Dwan Pope at high scores.

Terry Haynes and Robbie Hall kept up a great pace during the fourth quarter leading the Zion Chapel Rebels with a victory of 75-53 over the Long High Rebels.

ANNUAL STAFF PARTY
BY: ANN SAWYER

What is Christmas without a party? Well, Mrs. Bryan was sweet enough to give the Annual Staff a Christmas party. She fixed dinner for all the Annual Staff members and their dates. The dinner consisted of lasagna, spaghetti, green salad, and tea to drink. After everyone ate Mrs. Bryan opened her presents that the staff brought her. She got a Cross pen and pencil set with her name engraved on each and she also got a gift certificate. A good time was had by everyone. The Annual Staff would like to say "Thanks for the party and we love you, Mrs. Bryan."

FRATERNITY NEWS
BY: TERRIE CARTER

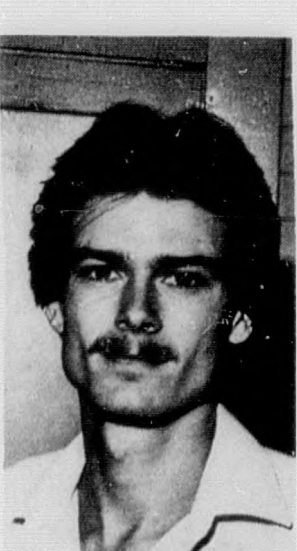

Robert Camp, representative of the Secret Service Office in Montgomery, visited the Gold Key 4-H Fraternity. The reason for this visit was to inform the Fraternity members of Secret Service methods used for Presidential protection. He gave two slides presentations on "Protection of a President" and "Counterfeit Money". The January meeting was held in the New Brockton Extension office.

ZION CHAPEL SKATING PARTY
BY: DEDIE FULLER

The Zion Chapel Rebel Band recently held its annual Christmas skating party at Skatesland in Enterprise. Each year the band rents the entire skating rink for the band members and their dates only.

The bands Christmas present to Mr. & Mrs. Myers was a tote and suit bag.

Dennis Hadaway Assisting Z.C. Band

BY: LYNN RENFROE

Zion Chapel has a new student teacher. Dennis Hadaway is aiding Mr. Randal Myers in band. He attended Valley High School in Fairfax, Alabama. He now attends Troy State

University and will graduate in March. He was vice-president of the Troy State Sound of the South Band and his instrument is the trombone. He wants to become a band director because he likes music and the band and likes working with young people.

The Z.C. QB Club will sponsor a Basketball game at the Z.C. gym
Thursday Jan. 20 - 8 p.m.

2.00 admission for all under 6 - free
All proceeds will go to the Z.C. Athletic Department

Who would have said that

in 1950 dieting would become a weapon, something we talk to our friends about not doing? We are a country

that is obsessed with the idea that if a girl isn't "super-thin", she doesn't look good. Teenage girls are

the world's worst to say, "I've got to lose some weight," or "I'm so fat," but some people are the opposite of these teenagers.

Randal Myers Receives National Honor

BY: LAURI ANN DOSTER

Randal Myers, band director at Zion Chapel, was recently selected as one of the Outstanding Young Men of America for 1982. He was nominated by the minister of the Collegiate Church of Christ in Troy. He was then asked to answer a questionnaire about his participation in professional activities.

America Awards Program is to honor young men throughout the nation, from all segments of our society, representing a multiplicity of businesses and professions, whose efforts are dedicated to enriching the communities in which they live and the professions which they serve.

For receiving this award Mr. Myers was given a personalized marble paper-weight and a certificate.

The purpose of the Outstanding Young Men of

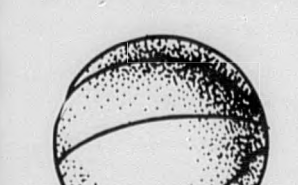

Chambers Working With Third Graders At Z.C.

BY: SHERRI CHANCELLOR

The third grade at Zion Chapel Elementary school has a student teacher. Her name is Alicia Chambers. She is from Dothan, Alabama and is attending Troy State University. She has an Elementary-Special Education major.

SUPPORT THE REBELS

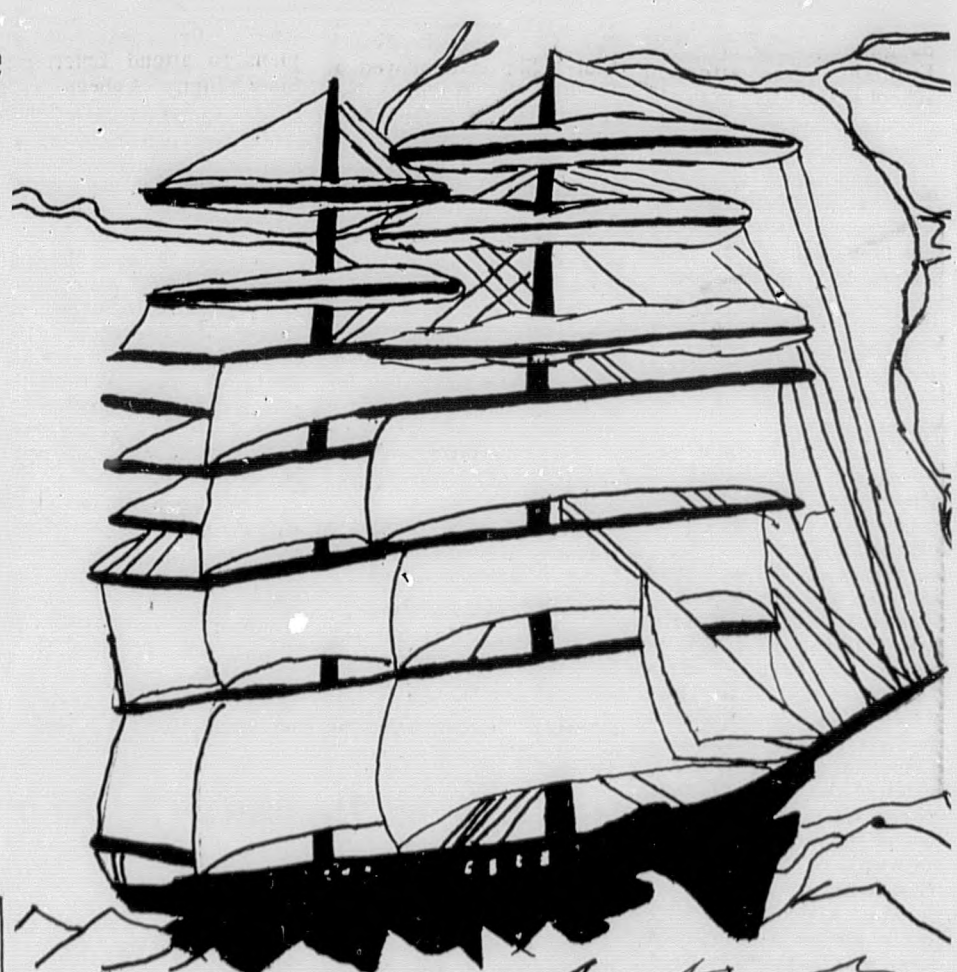

Lengthy diets may bring on serious health problems, because of the breakdown of muscle and organ protein rather than body fat. Bulimia can make a person struggle to keep off that "extra fat" in his body. This in turn will cause mental fatigue and low self-esteem.

If you need help for yourself or someone close to you, write to ANAD at Box 271, Highland Park, Illinois 60035.

ALICIA CHAMBERS

"A man with big ideas is a hard neighbor to live with."
Eben-Eschenbach

Jason Price spends many hours with his favorite pastime - drawing. As can be seen from this original drawing, he is very good at his hobby. Jason is a member of Zion Chapel's Freshman Class.

TIMBER OWNERS

St. Regis Allied Operations is interested in purchasing all types of timber. If you wish to sell timber, whether sawtimber or pulpwood, please contact one of our foresters. We would like to have the opportunity of inspecting your timber and making you an offer.

If you desire, we will give any technical assistance you might need in the management of your timber stands. If you are interested in selling timber, please call.

SENIORS OF THE WEEK

Featured this week as seniors of the week are (l-r) Rita Kay, Flowers, Cara English, Flowers, Lisa Denise Rhoades, and Scarlett Rhoades.

Kay is the daughter of Mr. and Mrs. Carroll Flowers. She has always attended Elba City Schools.

She is a member of FFA and Youth for Christ. She is employed with Jack and Jill Day Care. Her favorite classes are ICT and English, and her favorite teacher is Donald Lawford.

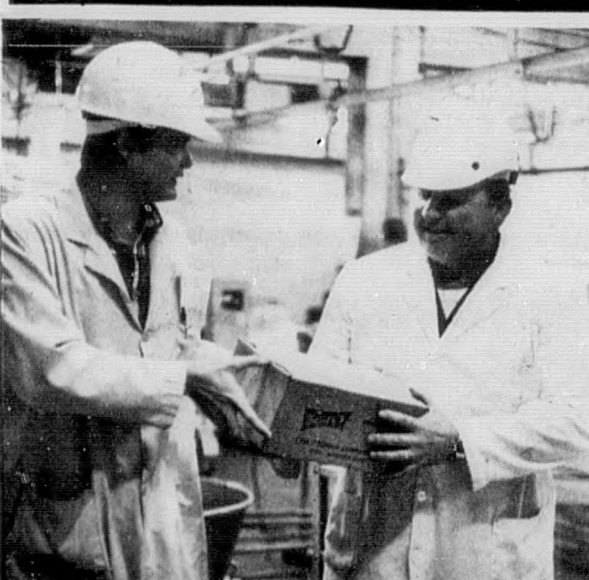

Kay's pastimes include going places with Cara and Lisa. The most memorable time of her school life was ordering caps and gowns. The most enjoyable time is being with friends. After graduation she plans to attend McArthur Tech, and become a cosmetologist.

Cara is the 17 year old daughter of Joe and Lois English. She attended school at Goodman until she transferred to Elba in the fifth grade.

She is a member of Beta Club, is Chaplain of FFA, Photographer for FFA, Vice President of FFA, and President of Youth For Christ. She is employed by Harco Drugs. Her favorite class is Typing II, and her favorite teacher is Mr. Carnley.

Cara's pastimes are Photography and singing in the FFA Quartet. Cara likes attending Elba High School, but feels that there should be a school choir or chorus. The most memorable time in her school life is her wedding, and the most enjoyable is singing in the FFA Quartet. After graduation she plans to attend ESJC and become a studio photographer.

Lisa is 18, and the daughter of Jimmy and Margie Macon. She has always attended Elba City Schools. She is a member of VICA, Beta Club, and the French Club. She is employed at English Well Drilling. Her favorite class is ICT, and her favorite teacher is Mrs. Tucker.

Cooperative Education Feature

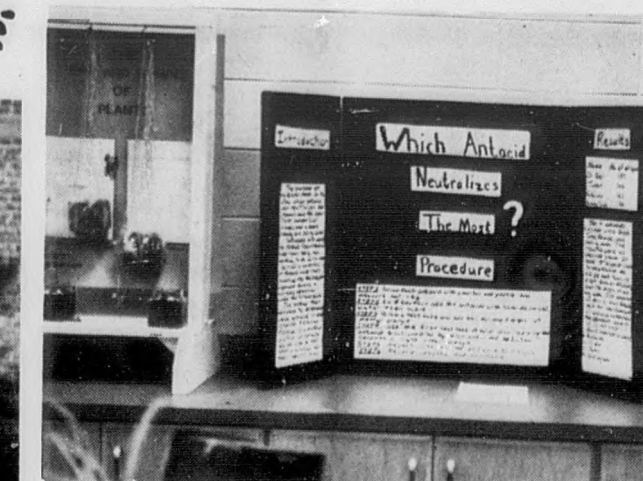

This week the cooperative education program features Dean Blair and Elba Packing Company.

Dean has been employed at Elba Packing Company for approximately 1 1/2 years. This is Dean's second year in the cooperative education program. His duties include packing and labeling meat products. Dean appreciates the opportunity given him by the cooperative education program and Elba Packing Company.

PROJECTS, PROJECTS!!

The first semester is coming to a close, and consequently many of the teachers at Elba High School are either grading or getting

ready to grade class projects. Among the classes who have already completed projects are biology and physics. English Literature, and home economics.

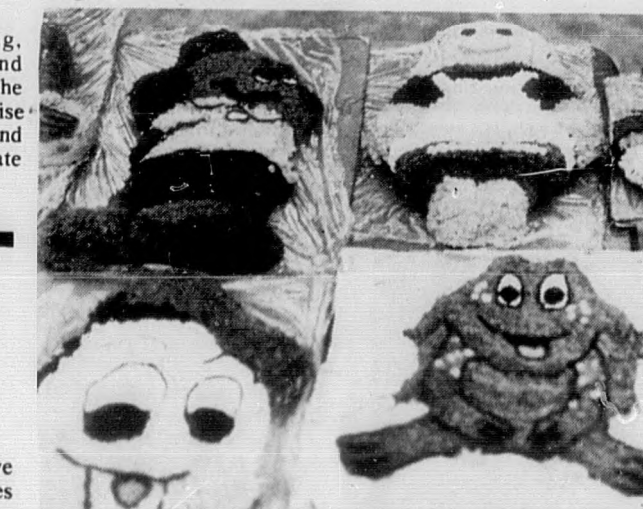

Biology Projects

Mrs. Frances Prior, who teaches biology and physiology, requires her students to turn in a project. It doesn't have to be restricted

English Literature Projects

Mrs. Judith Tucker also requires her students in English Literature to do

Home Economics Projects

Mrs. Clara Ann Dyess, who teaches home economics, didn't require a project, but gave her students the option to do a cake decorating project during class time. The students baked their own cakes, and decorated them under the direction of Mrs. Dyess and Mrs. Edith Calhoun.

These and other projects not only provide a different way of learning, but they also give students a welcome break from the same old hum-drum day of life at Elba High School.

Dear Friends,
This is to thank all our friends for your support in electing Mr. Alabama's new Lieutenant Governor.

Lucy and I also take this opportunity to cordially invite you and your family to take part in Alabama's inaugural festivities on Monday, January 17, in Montgomery.

From 8:30 to 10:30 a.m., Lucy and I will have a coffee and doughnut reception in the Fountain Room of the Madison Hotel (formerly the Downtown Hotel).

We also extend to you our personal invitation to attend the other inaugural events. The swearing in of Governor Wallace, myself and the other State officers will be at 11:15 a.m. at the Capitol. The Legislative Wives dance is at 9:00 p.m. at the Garrett Coliseum.

We hope you will join us in these festivities as we begin a new administration and a new era for our State of Alabama.

Your Friend,

B. B. Baxley

PS: We are not sending out formal invitations so please consider this as your personal invitation.

Bill Baxley

Driving Awareness Week Proclaimed

BY: TERRI AMLONG

Editor's Note: The following story was taken from "Awareness", a pamphlet which is published monthly by Division of Mental Illness and Substance Abuse Community Program.

President Reagan proclaimed the week of December 12-18, 1982 as National Drunk and Drugged Driving Awareness Week. The Awareness Week was called for in a joint Congressional Resolution and formally established by the presidential proclamation to the hundreds of agencies and citizens' groups in the national effort to get drunk and drugged drivers off the

road and where appropriate, help for their problem. In an effort to control the problem of drunk and drugged driving, effective education and treatment programs have been developed for people who are arrested for driving under the influence. Educating young people in an effort to prevent future driving under the influence problems is an important part of Alabama's approach. Currently, local Mental Health Centers and Regional Alcoholism Councils provide DUI schools to provide information and, when appropriate, referral for treatment, to individuals arrested for Driving Under the Influence. Further, these

same programs offer information to students in area schools across the state through a grant from the Office of Highway and Traffic Safety to the Department of Mental Health in an effort to prevent future substance abuse and driving. For further information on the DUI Counterattack Program in your area and the school consultation programs available, please contact your local Mental Health Center, Regional Alcoholism Council, or Bob Simpson, DUI Program Coordinator, Department of Court Management, at 834-7990 or Callie Longshore, Department of Mental Health, at 271-4520.

ZION CHAPEL REBEL BRIEFS..

ZION CHAPEL VS. NEW BROCKTON
BY: KIM SMITH

The Zion Chapel Rebels Varsity Team took on the New Brockton Gamecocks at New Brockton, December 17, 1982. New Brockton had the homecourt advantage and it paid off.

By the end of the first half New Brockton had the lead by one point. The score was 28-27. By the end of the third quarter Zion Chapel took over the lead by 2 points with a score of 44-42. At the end of the ballgame, New Brockton defeated Zion Chapel by 4 points with a final score of 59-55. The high man for Zion Chapel was Terry Haynes with 19 points.

ZION CHAPEL VERSUS LONG

BY: SHARON MOBLEY

Zion Chapel Rebels Varsity Basketball Team defeated the Long High Rebels Tuesday night in a 75-53 victory.

Dwan led Zion Chapel in first quarter action with four points but Long's Dunlap took high score with six points with Long leading 17-6 in the first quarter.

Terry Haynes came in the ballgame at the start of second quarter and led Zion Chapel with eight points to tie the score 29-29 at halftime.

The score switched back and forth during third quarter. Zion Chapel came back to take the lead with Alvin Moultry and Dwan Pope as highest scorers.

Terry Haynes and Robbie Hall kept up a great pace during the fourth quarter leading the Zion Chapel Rebels with a victory of 75-53 over the Long High Rebels.

ANNUAL STAFF PARTY

BY: ANN SAWYER

What is Christmas without a party? Well, Mrs. Bryan was sweet enough to give the Annual Staff a Christmas party. She fixed dinner for all the Annual Staff members and their dates. The dinner consisted of lasagna, spaghetti, green salad, and tea to drink. After everyone ate Mrs. Bryan opened her presents that the staff bought her. She got a Cross pen and pencil set with her name engraved on each and she also got a gift certificate. A good time was had by everyone. The Annual Staff would like to say "Thanks for the party and we love you, Mrs. Bryan."

Dear Friends,

This is to thank all our friends for your support in electing me Alabama's new Lieutenant Governor.

Lacy and I also take this opportunity to cordially invite you and your family to take part in Alabama's inaugural festivities on Monday, January 17, in Montgomery.

From 8:30 to 10:30 a.m., Lacy and I will have a coffee and doughnut reception in the Fountain Room of the Madison Hotel (formerly the Downtown Motel).

We also extend to you our personal invitation to attend the other inaugural events. The swearing in of Governor Wallace, myself and the other State officers will be at 11:15 a.m. at the Capitol. The Loggans Wives dance is at 9:00 p.m. at the Garnett Coliseum.

We hope you will join us in these festivities as we begin a new administration and a new era for our State of Alabama.

Your Friend,

B. B. Baxley

PS. We are not sending out formal invitations, so please consider this as your personal invitation.

Bulimia And The Student Body

BY: ALISON MADDOX
STATE FFA OFFICER

Who would have said that

in 1950 dieting would become a weapon, something we talk to our friends about not doing? We are a country

that is obsessed with the idea that if a girl isn't "super-thin", she doesn't look good. Teenage girls are

the world's worst to say. "I've got to lose some weight," or "I'm so fat," but some people are the opposite of these teenagers.

Bulimia is the number one problem in our society besides its "little sister," anorexia nervosa. Bulimia, a medical term for food gorging, is not simply overeating, but uncontrollable binge eating. Publicity itself is only part of the problem, but hearing other people talk about it has helped bulimics admit freely their problem and to ask for help.

Most bulimics "get rid of" the food they have eaten by: fasting, stringent dieting, vomiting, or the use of laxatives and diuretics. The results include: malnutrition, because the food doesn't stay in the body long enough for the nutrients to be absorbed, the body's chemical balance is disturbed, damage to the heart, stomach, and kidneys, enamel on the teeth decay because of the acid present in the vomit, severe bowel problems, not enough po-tassium in the body, and fatigue and overall weakness.

Lengthy diets may bring on serious health problems, because of the breakdown of muscle and organ protein rather than body fat. Bulimia can make a person struggle to keep off that "extra fat" in his body. This in turn will cause mental fatigue and low self-esteem.

If you need help for yourself or someone close to you, write to ANAD at Box 271, Highland Park, Illinois 60035.

PROJECTS, PROJECTS!!

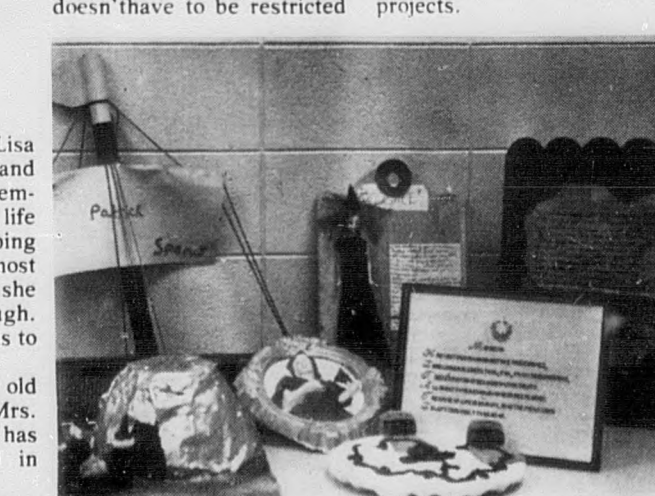

The first semester is coming to a close, and consequently many of the teachers at Elba High School are either grading or getting

ready to grade class projects. Among the classes who have already completed projects are biology and physiology, English Literature, and home economics.

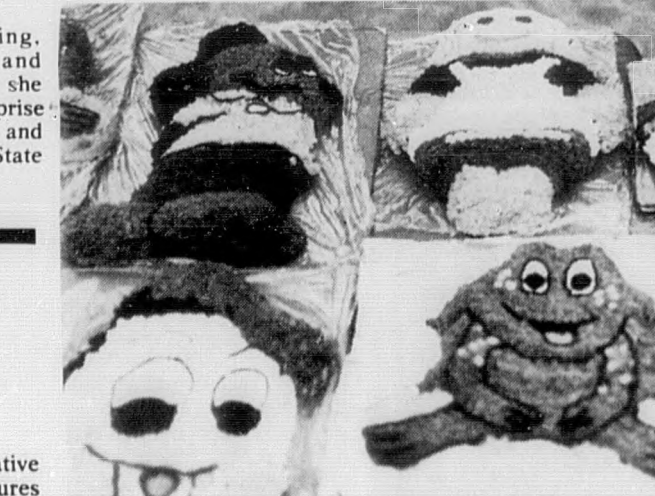

Biology Projects

Mrs. Frances Prior, who teaches biology and physiology, requires her students to turn in a project. It doesn't have to be restricted to any particular field of science, but must be science related. She said that she had had a real good turnout this year, and had some good projects.

English Literature Projects

Mrs. Judith Tucker also requires her students in English Literature to do some kind of project. This year she had a variety of projects turned in from cakes to crochets.

Home Economics Projects

Mrs. Clara Ann Dwyer, who teaches home economics, didn't require a project, but gave her students the option to do a cake decorating project during class time. The students baked their own cakes, and decorated them under the direction of Mrs. Dwyer and Mrs. Edith Calhoun.

These and other projects not only provide a different way of learning, but they also give students a welcome break from the same old hum-drum way of life at Elba High School.

Sports

Views From

THE PRESSBOX

By Ricky Mulars

The high school basketball season is back in full swing and it looks like a few changes have taken place in the local area. When the area and region tourneys roll around next month, it's going to be anybody's ballgame!

TIGERS BACK DOWN TO EARTH

The Elba Tigers were flying high prior to the holiday break with a 5-1 record, but came tumbling back down to earth last week with a pair of losses to New Brundage and Brundidge. I figured Elba's team would get a little overconfident after the wins and then get knocked off, and that was exactly what took place. The Tigers got way behind in the loss to New Brundage and almost got blown off the court, but woke up late in the game and almost pulled out a miracle victory.

COUNTY SCENE GETTING A LITTLE INTERESTING

Basketball is alive and well in Coffee County and now that New Brundage and Zion Chapel have started flexing their muscles, the county looks to be a cage power.

New Brundage made a few changes over the holidays and ripped off two straight wins to even its slate at 4-4. Coach Bobby Kinsaul's Gamecocks have speeded up their style of play a little on offense and have become very aggressive on defense, a winning combination. Don't let their record fool ya - the Gamecocks have a very good 2A team.

Zion Chapel made themselves Area 5 favorites last week by posting back-to-back wins over Long and Arton, the only other teams in the three-team area. Coach Mike Lindsey's Rebels got off to a slow start this season and couldn't seem to put it all together; however, they've got plenty of talent to be a winning club and could be on the verge of being big winners. Watch out - the Rebels ain't down yet.

Kinston is loaded with tradition - not talent - but the Bulldogs are still a JA power and a team to reckon with in south Alabama. Coach Pete Kelley's squad is not the invincible team it once was; however, the Dogs have winning bred into their system and never give up. These guys will be around when you start looking for Area contenders.

Enterprise may have its most talented team in many years and if it had an outside shooter it might be unbeatable. Coach Sam Weeks' Wildcats have to play a lot of smaller schools due to their geographic location, which doesn't do them much good, but the Cats have held their own in the 4A circles and could be the surprise team in their region. Don't count the Cats out of the 4A picture quite yet.

CLIPPER PREP PAGE POLL

The first standings of 1983 will hold few surprises as the top teams in each class have continued their winning ways. The top game this week could take place Friday night in Florida when, if all goes according to plan, Troy and Andalusia will meet in the finals of the SAC tournament. Here's the way I rate the teams in south Alabama -

CLASS 1A

1. Pleasant Home
2. Coffee Springs
3. Kinston
4. Red Level
5. Repton

CLASS 2A

1. Headland
2. Dale County
3. Cottonwood
4. Geneva County
5. Floria

CLASS 3A

1. Andalusia
2. Troy
3. Eufaula
4. W.S. Neal
5. Eufaula

CLASS 4A

1. Carver
2. Selma
3. Dothan
4. Benjamin Russell
5. Lee

TALK ABOUT RUNNING IT UP!

In Saturday's Atlanta Constitution I noticed a sports item I thought worth passing on. The East High School girls' basketball team played Cathedral High's girls' team (both teams are from Minnesota) and rolled to an unbelievable 121-6 win! The Cathedral team wasn't very good, obviously, and had already lost some other games by such lopsided scores as 72-15, 77-3, 60-14 and 43-11, but the 121-6 loss brought out the ire of the coach, who claimed "They poured it on, to put it mildly." I wasn't at the game, but I'll have to agree - Coach, they ran it up on you!

PRO FOOTBALL PLAYOFFS

The pro football playoffs, now dubbed the "Super Bowl Tournament" got underway last weekend and I only watched a total of about one quarter's action. I used to like pro football and was once a bit of a fan, but I didn't know about being "perky," but I am a little anxious to see what happens.

A WHAT?

I talked to a devout Alabama fan last week and he told me he was now a "Perky" Alabama fan since Ray Perkins has taken over as head coach. I don't know about being "perky," but I am a little anxious to see what happens.

Till then . . .

Elba at Daleville

A not so happy new year for Elba Tigers

The Elba Tigers opened the new year on a sour note last Tuesday night when they lost to the New Brundage Gamecocks 55-50, at the Elba High Gym.

The loss snapped a 4-game Elba winning streak and left the Tigers with a 5-2 record, while the win upped New Brundage's slate to 3-4.

The Tigers had numerous chances to grab an early lead in the game, only to come

out with an "ice-cold" shooting touch, enabling the visiting Gamecocks to take over ahead 4-0 on buckets by Greg Haggins. Elba's Bobby Gulley finally broke the ice for the Tigers by hitting a long jumpshot and seemed to spark the Tigers as they pulled even at 6-6 midway thru the stanza.

New Brundage managed to regain the lead at 12-8 in the closing minute of the quarter, but the Tigers couldn't

Elba again rallied and pulled into a 12-12 tie on shots by Jerry Siler and Donnie Morris.

The Gamecocks came out running in the second quarter and reeled off 8 unanswered points to build a 20-12 advantage.

Elba managed to regroup following the outburst and matched New Brundage bucket-for-bucket the remainder of the half, but the Tigers couldn't

close the gap and went in at halftime trailing 29-21.

New Brundage got off to a fast start in the third quarter and appeared ready to blow Elba off its own court, opening up a big 37-23 lead.

Elba again seemed to settle down midway thru the stanza and held its own, however, going into the fourth quarter New Brundage was still up by a dozen, leading 43-31.

The Tigers pulled within 43-33 at the outset of the fourth quarter on two free-throws by Bobby Gulley, only to see New Brundage slowly increase its lead to 53-39 with only three minutes to play.

The Tigers began to gamble on defense in an effort to get back in the game and it paid off as they scored 11 unanswered points to pull within 53-50 with a minute to go.

Elba had a chance to take the lead in the closing seconds, but missed a lay-up and then missed the front-end of a 1 and 1 free-throw on consecutive trips down the court.

New Brundage hit two free-throws late to make the final score New Brundage 55 Elba 50.

Jerome Nelson scored 20 points to lead New Brundage, while Kenneth Patterson added 13. Bobby Gulley and Ken Daniels scored 17 and 12 points, respectively, to lead Elba.

N.B. 12 17 14 12 - 55
Elba 12 7 9 9 - 50

Brundidge (50): Digs 8, Carter 17, McGuire 7, Gaynor 14, Wilson 2, Lee 2.

Elba (37): Gulley 10, Hooks 6, K. Daniels 7, Henderson 2, Morris 1, Daniels 5, Goosby 4.

Elba scored first in the game on a long jumper by Bobby Gulley as the Tigers went up 2-0, and the two conference rivals swapped points for much of the opening stanza.

Elba jumped out to a 16-13 lead in the second stanza on a tip-in by Bobby Gulley, however, the game remained close and Florida knocked back on top 18-17 with 2:55 left in the half.

Florida got a couple of cheap buckets inside to open a 22-17 lead, but by halftime Elba had rallied and pulled within one point at 24-23.

A bucket from deep in the corner by Mark Henderson got Elba back in front 25-24 at the outset of the third quarter, but Florida got its running game cranked up and ran out to a 34-27 bulge with 5:27 left in the quarter.

The Tigers pulled within 36-33 behind the shooting of Kevin Goosby and Gulley, only to see Florida catch fire and outscore the Tigers 17-3 in the closing minutes to build a 53-36 advantage.

The final quarter was filled with action as both teams ran up and down the court, and at the final buzzer Florida had the win 71-53.

Bobby Gulley and Kenny Daniels hit 22 and 12 points to lead Elba, while Steve Wallace scored 25 to pace Florida.

Flor. 11 13 29 18 - 71
Elba 11 12 12 17 - 53

Florida (71): Fleming 18, Stone 9, Wallace 25, Stone 7, Matthews 4, Horne 6, Osburn 2.

Elba (53): Gulley 22, Hooks 7, K. Daniels 12, Goosby 8, J. Daniels 1.

SEAC cage

tourney

underway

The South East Alabama Conference basketball tournament began on Tuesday night, Jan. 11, at the Kinston High School gym, and will continue thru Friday night, Jan. 14, when the tourney champion will be crowned.

In opening round action Tuesday night Dozier met New Brundage, Red Level tangled with Zion Chapel and Goshen met Brantley.

Tonight's (Thursday) semifinal action will have the Red Level-Zion Chapel winner meeting the Goshen-Brantley winner at 6:30, while top-seeded Kinston will meet the Dozier-New Brundage winner at 8:00.

Friday night's finals will take place at 7:00.

Georgia (45): Williams 10, Stallworth 2, Smith 4, Campbell 17, Rich 2, Reese 6, Fluker 4.

Elba (26): Hall 6, Daniels 11, Abbott 4, Siler 5.

The Elba girls settled

ELBA'S KEVIN GOOSBY (20) goes up in a crowd to take a shot in the Tigers' loss to Florida, Monday night in the S.A.C. Tourney.

John Hudson poured in 17-points, including 9 in the fourth quarter, to lead Elba, while Robin McKinnon added 16. Stuffle Pruitt led New Brundage with 13.

Elba 1 8 8 15 - 43

N.B. 5 12 4 9 - 30

Elba (43): Hudson 17, McKinnon 16, Folmar 2, Hill 6, Hammonds 2.

N.B. (30): Danford 2, Head 6, Hornsby 2, Fleming 6, Williams 1, Pruitt 15.

Williams in state cage spotlight

Barry "Buck" Williams, hay-shooting guard at Clements High School, poured in 85 points in two games last week and moved into the "prep spotlight" as selected by the Alabama High School Athletic Association.

The 5-10 sophomore guard, boasting a 31.1 average, helped keep Clements unbeaten in 15 games with a 46-point performance against East Limestone, then capped the season he set a school record 22 rebounds for a single game.

His season high of 47 came against Athens during the holidays.

Other spotlight performances included: Phillip Leslie, a 5-8 guard, paced Sparkman's 96-72 victory over Elkton with a school record 46 points in addition to nine steals, six assists and three rebounds.

John Hartwell, adding to his school career scoring record 1248 points, hit 29 points as UMS, 14-1, downed Baker 79-63. Earlier in the season he set a school record 22 rebounds for a single game.

Dale County, led by MVP Dennis Ash's 18 points and 14 rebounds, upset Headland 55-50 to win the Wiregrass Athletic Conference Tournament. Dale County is 10-3, Headland 12-3.

Gadsden ran its record to 12-0 with an 85-57 win over Albertville.

Other outstanding records: Selma 14-2, Carver (Montgomery) 15-1, Henderson 15-1, Colbert County 8-1, Muscle Shoals 10-1, Butler 10-2, Johnson (Huntsville) 10-2, Coffee Springs 11-1.

Goodman Junior High Eagles soar past Zion Chapel 73-42

The Goodman Junior High Eagles celebrated homecoming last Thursday night with a resounding 73-42 win over the Zion Chapel Junior High Rebels.

The win, which came in front of a jam-packed homecoming crowd, upped Goodman's record to 5-5 for the season, while the loss kept the Junior Rebels winless.

The Eagles came out ready to play in the contest and jumped out to an early 6-0 on a jumper by Tony Strickland, a layup by Darrell Reynolds and a long set-shot by Michael McWaters. Zion Chapel scored on a driving layup by Jamie Stevens with 5:06 left in the opening stanza to pull the Rebels within 25-12 with 5:32 left in the half, but Goodman wasn't about to let their

cross-county rivals get back in the game as the Eagles totally dominated the remainder of the quarter and opened up a huge 21-4 advantage.

Zion Chapel's Richie Rugg poured in his team's first eight points of the second quarter to pull the Rebels within 25-12 with 5:32 left in the half, but Goodman again resumed command and

upped its lead to 36-16 on a free-throw by Chris Mitchell with 1:10 left in the stanza.

The Eagles came out soaring in the third quarter and quickly put the game out of reach, opening up a lopsided 50-20 lead with 5:00 left in the quarter. Coach Sonny Scyphers emptied his bench once the lead ballooned to 30 points and the Eagles reserves didn't let up as they pulled out to a 50-22 bulge with 1:21 left in the period. The final quarter was a wild one as Zion Chapel and the Goodman reserves ran up and down the court almost non-stop. The Rebels didn't manage to close the gap slightly, however, the Eagles never slowed down and at the final horn were way ahead 73-42.

Tony Strickland and Darrell Reynolds scored 22 and 17 points respectively, to lead Goodman, which had point production from every player who dressed out. Richie Rugg and Jamie Stevens scored 14 and 12 points to lead Zion Chapel.

G'man 21 17 21 14-73
Z.C. 4 14 8 16-42

G'man (73): Wallace 22, Reynolds 17, Strickland 22, Cauley 4, McWaters 4, Mitchell 9, Myers 7, Rials 4, Sasser 4.
Z.C. (42): Stevens 12, Hill 5, Rugg 14, Hodge 6, Barr 5.

(B GAME)

Goodman's B team upped its record to 4-5 with an exciting 35-28 win over Zion Chapel. Zion Chapel took an early 6-4 lead in the game, but Goodman rallied to go on top 19-9 at halftime and the Eagles held on for the win. Sasser and Davis scored eight points apiece for Goodman, while Vance hit 10 for Zion Chapel.

G'man 9 18 22 20 - 69
C.S. 6 9 18 13 - 46

G'man (69): Reynolds 24, Strickland 20, Cauley 10, Mitchell 10, McWaters 5, C.S. (46): King 20, McCray 13, Lay 2, Walker 8, McCois 2, M. King 2.

(B GAME)

The Goodman Eagle B team claimed its third win of the season by edging Coffee Springs 32-28.

The Eagles jumped ahead 10-3 in the opening stanza, but saw Coffee Springs creep back and nose ahead by two points late in the game. The Eagles rallied after falling ahead and behind the clutch shooting of Dewayne McCrummen pulled out the last second win!

Bobby Myers scored 12 points to lead Goodman, while Darryl Franklin hit 15 for Coffee Springs.

G'man 10 9 5 8 - 32
C.S. 3 10 8 7 - 28

C.S. (28): Franklin 15, Ballair 4, McCray 4, Shirah 2, Johnson 2, Watson 1.

Elba Junior Tigers dump New Brockton 59-38

The Elba Jr. High Tigers re-opened their season after the holiday break last Tuesday night against the Gamecocks of New Brockton, soundly whipping them 59-38.

The Tigers got off to a slow start, as the score in the first quarter remained within two points. The second quarter lead also swapped hands often as the two teams faced a tie at the intermission 18-18.

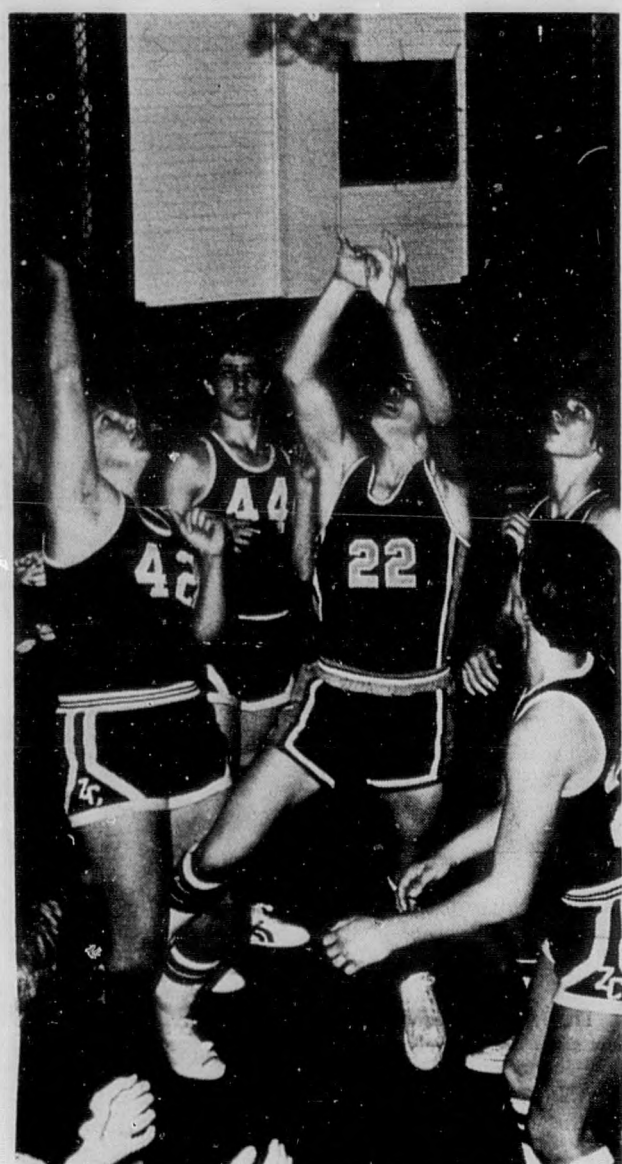

The Tigers got back into the groove in the second half, as they began to utilize the fast break, and slowly pulled away from the fleshy Gamecocks. The Tigers won it solely by their second half performance, and upped their record to 10-0.

Elba's scoring campaign was led by Mick Phillips who poured in 25 in the contest. High point scorer for the Gamecocks was Keith Patterson, with 14.

N.B. 10 8 4 16 - 38
Elba 8 10 22 19 - 59

Also scoring:
Elba: McCollough 12, Daniels 11, Brunson 6, Oaburn 3, Young 2.
N.B. Cole 10, Hornsby 10, Foster 4.

Together, we can change things.

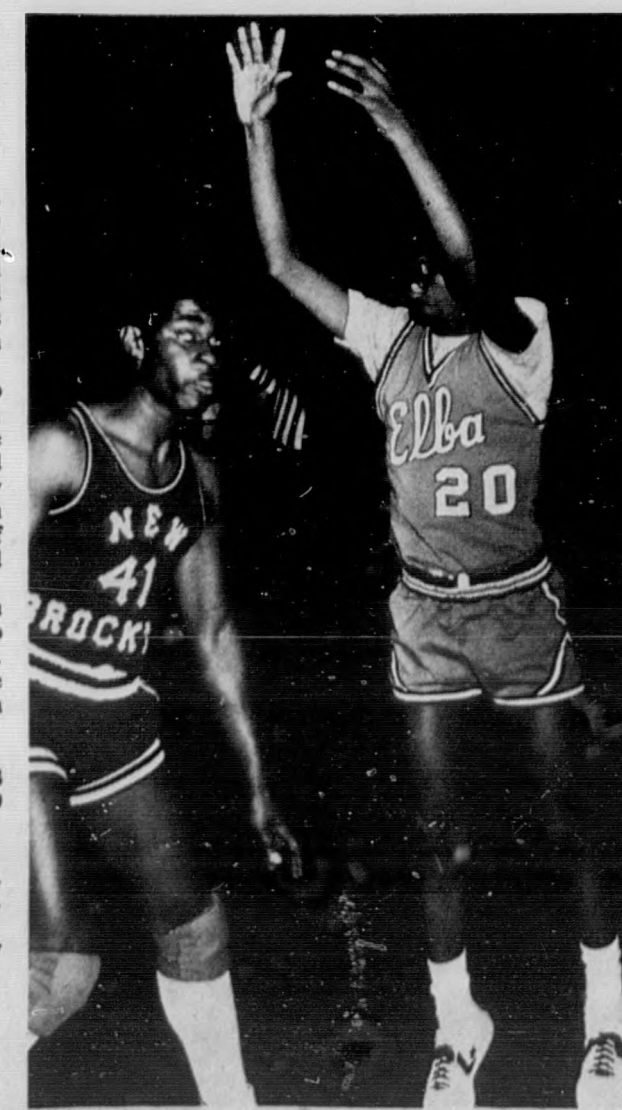

GOODMAN'S CHRIS MITCHELL (22) takes a shot from the inside in the Eagles' big win over Zion Chapel last Thursday night.

Bobby Myers scored 12 points to lead Goodman, while Darryl Franklin hit 15 for Coffee Springs.

G'man 10 9 5 8 - 32
C.S. 3 10 8 7 - 28

C.S. (28): Franklin 15, Ballair 4, McCray 4, Shirah 2, Johnson 2, Watson 1.

ELBA JUNIOR HIGH STANDOUT Mick Phillips (20) fires in a two-point in the Tigers' win over New Brockton. Phillips poured in 25 points to lead Elba to the win.

GOODMAN HOMEcoming QUEEN Sherry Wallace (in center) and her court reigned over activities last week.

Queen Sherry Wallace reigns over Homecoming at Goodman Junior

Goodman Junior High School celebrated its "Homecoming" on Thursday, January 6, and reigning over the day's activities and homecoming basketball game was queen Sherry Wallace.

Sherry, a ninth-grader, is the daughter of Mr. and Mrs. LeVall Wallace and is a member of the 4-H Club and serves as president of the Beta Club. She is a blond-haired, blue-eyed cutie and enjoys swimming, cooking and skating. Sherry was escorted at the game by her father, Mr. LeVall Wallace.

The sixth-grade attendant was Miss Ashley Carol Hamilton, daughter of Mr. and Mrs. Fred Hamilton. She is a cheerleader, serves as reporter of the 4-H Club and attends the St. Paul United Methodist Church. She has brown hair and green eyes and was escorted by her father, Mr. Fred Hamilton.

Seventh-grade attendant was Miss Jacquelyn Leigh Gibson, daughter of Mrs. Peggy H. McKenzie and the late Rev. Jack Gibson. She is a member of the Beta Club, serves as president of the 4-H Club and is a cheerleader. A member of the Goodman Baptist Church, Jackie has brown hair and blue eyes, and enjoys playing the piano, skating and swimming. She was escorted by her brother, Mr. Gary Gibson.

Eighth-grade attendant was Miss Kimberlie Dianne Hancock, daughter of Mr. and Mrs. John Hancock and Ms. Brenda Hancock. Kim is a member of the 4-H Club, attends Damascus Baptist Church, has sandy brown hair and brown eyes, and enjoys skating, making candy and swimming. She was escorted by her father, Mr. John Hancock.

Ninth-grade attendant was Miss Donna Gayle Thomas, daughter of Mr. and Mrs. Travis Thomas. Donna is vice-president of the Beta Club and is a member of the 4-H Club. She has blonde hair and blue eyes, enjoys singing, and was escorted by her father, Mr. Travis Thomas.

The queen and her court were presented to the large crowd prior to the Goodman-Zion Chapel varsity game, and received roses from principal Nelson Whitehurst and Little Miss Goodman April Dalmyle.

A Goodman B TEAM player fights for a loose ball in the win over Zion Chapel last Thursday night. The Eagle B team's win upped its record to 4-5.

Census Of Agriculture Begins This Week

The 1982 Census of Agriculture gets underway this week with the mailing of report forms to farmers and ranchers in the 50 states, the Commerce Department's Census Bureau announced today.

Farmers and ranchers are being asked to report on their agricultural operations during 1982 and to return the form by February 15, 1983. The 1982 census is the nation's 22nd agriculture census in a series that started in 1840.

For the first time in a mail agriculture census report, forms will reflect regional cropping patterns to estimate production.

Farm and ranch operators will be asked to report the acreage in their operations, form of ownership, type of organization, location of the place, use made of the land, and when their operations began. Other questions will include the number of acres covered livestock and poultry inventories and sales, amount of government crop loans, crop acreage, amount harvested, and value of crops and livestock sold.

About 20 percent of farmers and ranchers will receive a letter from the Census Bureau with an additional page which has inquiries on selected production expenses, market value of land and buildings, machinery and equipment inventory and value, interest expenses and expenditures for petroleum and other energy sources.

Assistance in completing census forms is available locally from offices of the Cooperative Extension Service, soil Conservation Service, Vocational Agriculture Teachers, Production Credit Associations, and Farmers Home Administration.

A file copy of the report form is provided which operators can complete and keep for their own records in gardening this year. Call us for garden planning charts and other information.

FRUIT TREES
Claude Stinson of Enterprise, Ala., has been named nationally on fruit tree recommendations and records. He

PEACHES
Peach trees for planting are available now. Some varieties that are recommended for this year are Springcrest, June Gold, Maygold, Rubired, Sentinel, Harvester, Loring, Summergold, Windlo, Redskin, Dillard and Springgold. All of these are of the yellow flesh varieties. If you would like a white peach, then use Belle of Georgia.

Now is the time to start pruning peach trees. You can prune them all of the way to the middle of February. The later you prune the better. Remember as you prune your trees to open up the middle of the tree so that the sunlight can reach all of the leaves.

PECANS
I continue to get requests for pecan varieties that will do for home planting. I strongly suggest varieties that are highly scab resistant.

Good Erosion Control
Most pines will produce interlaced mats of litter, which is needed to halt soil movement. Loblolly pine survives better, grows faster and produces an abundance of litter. Eroded abandoned fields and gullies have been reduced. Pine planting has shown less runoff and sediment yields than cropland, pastureland, abandoned fields and depleted hardwoods.

The first requirement for successful erosion control planting is vigorous planting stock, at least 1/8 inch stem diameter that has hardened before being lifted from the seedbed. Seedlings should be planted in January after the ground is softened by rain. Spacings should not be closer than 6 x 6 feet. On exposed areas and rapidly eroding slopes, trees should be helped by brush damming, and applying mulch.

After you get your plants in the ground, you will be adding a spice to your meals with some fresh onions in a very short time.

Additional Benefits For Unemployed

An extension of Federal Supplemental Compensation (FSC) means additional benefits for the long-term unemployed in Alabama. Legislation signed by President Reagan became effective January 9.

Initially, Alabama workers will be entitled to four more weeks of FSC if they meet all eligibility criteria. When Alabama's insured unemployment rate (IUR) reaches 6 percent, as it is expected to do by late January, two more weeks will be provided. The number of weeks provided can fluctuate as the IUR changes.

Franklin H. James, director of the Alabama Department of Industrial Relations, said an estimated 15,000 unemployed who have exhausted their benefits will receive notification by mail. It will not be necessary to reapply for benefits to file another claim.

When the extension is in effect, jobless workers may receive up to 55 weeks of unemployment benefits. Deserving workers may qualify for a 26-week extension under the regular state unemployment compensation program, 13 weeks of extended benefits (EB), and 16 weeks of FSC.

FSC is a temporary program authorized by the federal government but administered in Alabama by the State Unemployment compensation Agency.

Even other government agencies cannot obtain or use the individual reports, and copies retained by the farmers are immune from the legal process. Each report form will

have a genuine interest in growing fruit trees, especially peaches. He told me that he had ordered some peach trees and will be planting in the next few days.

We have had quite a bit of interest in fruit and nut production in the county. Getting the right variety of fruit is very important. Remember that varieties which might do well in Illinois or Michigan will usually be total failures this far south. So check carefully with your nurseryman and get varieties which are adapted to this area. We have a complete list of varieties of all types of fruits and nuts. Set trees in January or February or certainly no later than the first week or two in March.

GET THE FACTS
For years we have emphasized the importance of soil testing for row crops. Coffee County farmers have been in the top five counties in samples submitted for a number of years.

Even though row crop farmers are making good use of the laboratory, homeowners have not done as well. Soil testing is an excellent way to determine the fertilizer and lime needs of gardens and lawns.

It is so easy to get a soil sample I am surprised that more people don't take advantage of this excellent service. If you haven't sampled your garden or lawn in the past two or three years, go ahead and take a sample and send it to the laboratory. It is a lot better way to go than just guessing at your needs. Testing supplies are available at farm stores and at the Extension office.

REDUCE SODIUM
If it is necessary for you to reduce sodium in your diet, one way is to cut down on the salt you add to your food from the salt shaker.

WEIGHT REDUCTION CLASS
Many of you have asked for information on weight reduction. If you are interested and can attend, here are the time and dates. The class will begin 9:30 a.m. - 11 a.m. January 17 and continue each Monday morning for 12 weeks. In the past, we have had participants to lose as much as 25 pounds in the 12 weeks. All you have to do in the program is cut calorie intake, change eating habits, and increase exercise. It is a painless program and is one you can live with the rest of your life. Call for reservations. There is no charge.

THOSE PICTURES ON YOUR WALLS
The pictures on your walls are part of your home's personality. Although the pictures cannot talk, their presence -- or absence -- tells something about the home's atmosphere and the family who lives there. The pictures selected and the manner in which they are displayed can give an impression of interests and taste.

For the next few weeks I'd like to share with you information on planning a wall grouping, space to be filled, solving a picture grouping puzzle, the family treasure, and prepare before you paint. The topics I just mentioned will be covered in my column.

Let's remember when choosing a picture look for good composition. This means arrangement of shapes and colors. Don't forget to have interesting color -- that is, the color may be quiet or restful or bright and stimulating.

Next week's topic is Planning a Wall Grouping.

When the extension is in effect, jobless workers may receive up to 55 weeks of unemployment benefits. Deserving workers may qualify for a 26-week extension under the regular state unemployment compensation program, 13 weeks of extended benefits (EB), and 16 weeks of FSC.

FSC is a temporary program authorized by the federal government but administered in Alabama by the State Unemployment compensation Agency.

Even other government agencies cannot obtain or use the individual reports, and copies retained by the farmers are immune from the legal process. Each report form will

have a genuine interest in growing fruit trees, especially peaches. He told me that he had ordered some peach trees and will be planting in the next few days.

We have had quite a bit of interest in fruit and nut production in the county. Getting the right variety of fruit is very important. Remember that varieties which might do well in Illinois or Michigan will usually be total failures this far south. So check carefully with your nurseryman and get varieties which are adapted to this area. We have a complete list of varieties of all types of fruits and nuts. Set trees in January or February or certainly no later than the first week or two in March.

GET THE FACTS
For years we have emphasized the importance of soil testing for row crops. Coffee County farmers have been in the top five counties in samples submitted for a number of years.

Even though row crop farmers are making good use of the laboratory, homeowners have not done as well. Soil testing is an excellent way to determine the fertilizer and lime needs of gardens and lawns.

It is so easy to get a soil sample I am surprised that more people don't take advantage of this excellent service. If you haven't sampled your garden or lawn in the past two or three years, go ahead and take a sample and send it to the laboratory. It is a lot better way to go than just guessing at your needs. Testing supplies are available at farm stores and at the Extension office.

REDUCE SODIUM
If it is necessary for you to reduce sodium in your diet, one way is to cut down on the salt you add to your food from the salt shaker.

WEIGHT REDUCTION CLASS
Many of you have asked for information on weight reduction. If you are interested and can attend, here are the time and dates. The class will begin 9:30 a.m. - 11 a.m. January 17 and continue each Monday morning for 12 weeks. In the past, we have had participants to lose as much as 25 pounds in the 12 weeks. All you have to do in the program is cut calorie intake, change eating habits, and increase exercise. It is a painless program and is one you can live with the rest of your life. Call for reservations. There is no charge.

THOSE PICTURES ON YOUR WALLS
The pictures on your walls are part of your home's personality. Although the pictures cannot talk, their presence -- or absence -- tells something about the home's atmosphere and the family who lives there. The pictures selected and the manner in which they are displayed can give an impression of interests and taste.

For the next few weeks I'd like to share with you information on planning a wall grouping, space to be filled, solving a picture grouping puzzle, the family treasure, and prepare before you paint. The topics I just mentioned will be covered in my column.

Let's remember when choosing a picture look for good composition. This means arrangement of shapes and colors. Don't forget to have interesting color -- that is, the color may be quiet or restful or bright and stimulating.

Next week's topic is Planning a Wall Grouping.

Additional Benefits For Unemployed

An extension of Federal Supplemental Compensation (FSC) means additional benefits for the long-term unemployed in Alabama. Legislation signed by President Reagan became effective January 9.

Initially, Alabama workers will be entitled to four more weeks of FSC if they meet all eligibility criteria. When Alabama's insured unemployment rate (IUR) reaches 6 percent, as it is expected to do by late January, two more weeks will be provided. The number of weeks provided can fluctuate as the IUR changes.

Franklin H. James, director of the Alabama Department of Industrial Relations, said an estimated 15,000 unemployed who have exhausted their benefits will receive notification by mail. It will not be necessary to reapply for benefits to file another claim.

When the extension is in effect, jobless workers may receive up to 55 weeks of unemployment benefits. Deserving workers may qualify for a 26-week extension under the regular state unemployment compensation program, 13 weeks of extended benefits (EB), and 16 weeks of FSC.
